“ Dana was one of the first person of many who befriended me when I came to First National Bank in Dallas and we soon became “joined at the hip”. Will so miss her uproarious laugh, her genuineness and caring ways. A truly beautiful person. Love you and may you Rest In Peace. Gladys Smith

“ I worked with Dana for several years prior to her retirement at Bank of America. Dana always cared about the customer and didn't mind telling anyone when she thought something wasn't right. She was a true "hoot".

“ My family lived a few houses down the street from the Herrings growing up. Dana and Suzanne were fun friends. One of my memories is that they got the first television in the neighborhood and we watched Howdy Doody there. That was a long time ago. :-)
