“ *My heart has been hurting since the moment I got the news. I hate that I never got to apologize to you and tell you I loved you. You were one heck of a lady, and one heck of a grandmother. I wish I had told you that when I had the chance - you were an awesome grandmother. I'm so sorry, Nanny. I hope wherever you are up there, you are happy and at peace. If I could turn back the hands of time and fix things, and see you one last time in this life, I'd do it in less than a heartbeat.*
