“ *Amelia Valdez was dear to so many. She was the matriarch of a great family which is growing more and more as time goes on. She was a daughter, a mother, a sister, a grandmother, a great grandmother, and even a great, great grandmother, the list goes on and on. She was truly blessed to see her children grow up and have families of their own. She was my Grandma Chiquita and I have so many great memories of her. My husband and kids now share some of my fondest memories. Grandma Chiquita - We love you and will always remember you.*
