“ Aunt April was so cool! I sure did love her style, & her smile. She was so goofy, & always dancing, taught me how to shimmy too! 🕺 I always wanted to look like her. She was the beauty in the struggle, I will love & miss her forever. 💙

“ *My baby sister is gone but will never be forgotten! April was the sweetest, cutest person I’ve ever known. Her smile could light up a room! She always made you laugh and couldn’t stand to see anyone upset. She’s find a way to make you smile! She’s give you the shirt off her back and walk down the street naked if she needed to help you! She will be missed but will live forever in our hearts and memories! I love you Little PiPi!*
