“ Arlene.....was a wonder.....I've known her for over 45 years....first as a neighbor who by default helped take care of my two boys when they were growing up in Grand Prairie. Her boys and mine were fast friends and spent a lot of time together. Arlene.....was unusual. She was creative and had an active imagination. She was joyful and effervescent, happy and mournful.....positive and funny! She was an experience that folk remembered. She was smart and perceptive and always strived to be positive in her relationships that she favored. My sister and I engaged in a ritual of the fairies with her. It was unforgettable. She even did Reiki on me and I could feel the warmth from her hands as she passed them over me....always interesting, inclusive and a true wonder. We loved Arlene dearly as we did Honeybun, Alan and Brian. I am forever grateful to Cameron for giving Arlene an opportunity to experience grandparenting, her great love. Even though she is gone, we will forever revel in the memories of our time with her and hopefully Brian and Cameron will also continue to see the true wonder that she was.....RIP Arlene Jones.....I did adore you!!!

“ Arlene was a dear cousin. As I remember growing up we would often see our cousins from the Heinrich clan at Grandma Agnes Heinrich's home in Schulenburg, Tx for Easter or Christmas. I am so glad my brother, Donald, sister, Shirley and I got to visit Arlene at her ranch in Commanche County after Donald Alan (Honeybunch) had passed away. She was so delightful and had to take us on a full tour of her place she was so proud of. Will miss this lady! -Mary Hoeinghaus-Stavinoha

“ I was a neighbor and friend when we lived on Lancelot Circle in Grand Prairie. I and Arlene would go and get plants and go out to lunch, we had wonderful times, in fact we had lunch the 22 of April, we laugh and shared memories. I will always treasure the time we had. Love you Arlene Love Delores Orrell
