“ *It is surreal that Ashley is no longer with us. She was a real 'sweetie', and I am truly blessed to be able to call her a friend and a colleague. Ashley made a huge positive impact on our team, and everyone enjoyed her enthusiasm, dedication, and deep knowledge of the work. In reflecting on the short amount of time I knew Ashley, the one word that comes to mind is "real" - she always spoke her mind, was kind and respectful, and was a real example of what is good about this world. Ashley, you will be very missed.*
