I worked with Benito for a long time. He always had a joke or story to tell that made you laugh. I will always remember him laughing and telling jokes. Benito will be greatly missed.

“ You have been promoted to Glory, may you rest in peace and may GOD's light shine upon your soul. The few times that I saw you I could feel the warmth and grace you had upon you. Yes you will be missed but never forgotten, you touched so many lives as you were a blessing not only to me but many others that crossed your path. GOD BLESS YOU ALWAYS!

“ As the days go by it is harder to realize you are not on a trip, you're not coming home. In our hearts you will always be, but with heavy sighs we know you are in a better place, as we go day by day waiting for the time we all meet up again. Leo and I will miss our outings to the casinos, eating out, and fishing! You were a great brother and brother in law. Love, and miss you Benny.

“ *My grandpa was a strong hard working man. Who loved life and his family. You never had to second guess where you stood with him he always of had his way of letting you know without saying much. A man with few words but an embrace that said it all. Rest easy grandpa. I love you.*
