*Dear Billy,  
I miss you and love you. I wish I could see you at Mama's. You were always the sweet baby boy of our family with us six kids. Mama was devastated by your suicide Billy. We all were so very sad and still are.  
You were a good brother dear Billy. I am so sorry I did not know about all of your depression and pain.  
Back in Sherman you always took care of your son Derek and wife Melva. And In McKinney.  
You loved riding your motorcycle.  
You were a wonderful human being Billy.  
I wish you were still here.  
Love always,  
your sister,  
Lisa*
