“ *Gregarious indeed!! We loved Billy so much! We are not perfect, but his imperfection was an illness. An illness that led him down paths that we would not wish on our worst enemy. His kind heart and soul always shined through the best and worst of times. He could light up a room with his smile and infectious laughter. I will always remember his laugh. A gorgeous Man, Father & Friend that was taken away from us too soon. Prayers to his Beautiful daughters and their very strong Mother. A special Thanks to Billy's Father for bringing him to Houston to visit us those last 2 times. That meant the world to us!*
