“ One of the fondest memories I have of Brandon is fun at halloween, He wore that big blow up Halloween costume with those little arms and legs dangling from the costume and just laughing and running and having such fun. He will be truly missed by us. It was a pleasure to get to know him and watch him grow. We will always remember and love you Brandon. Rest is peace honey.

“ A Tribute to your beloved son:

Word's cannot express the sadness we feel for your dealing with the death of your son. The loss of a child is the worst sorrow a parent can ever experience. Am sure you have felt a longing for one more day, one more word, one more touch from your son and this is a normal feeling.

Even though you may not understand why he left this earth so soon, or why he left before you were ready to say good-bye, little by little you will begin to remember not just that he died, but that he lived, and that his life gives you memories too beautiful to forget.

A loved ones passing is never easy. The bible says that Death is our enemy and it will take every human being, but by means of Christ there is hope of seeing our love ones again.

Keep the hope alive and let the memories of Brandon's life comfort you and allow yourself time to grieve, for tears can heal the soul. Please allow the love of others to lift you in this time of grief.

We are thinking of you during these difficult times. We want to offer our deepest condolences.
