I first met Buster when I was only 15 out at Lake Whitney and I walked up and kicked him cause he wouldn't get out of my way (we all had been drinking) and he kicked me back and it kept on for a minute but we used to hang out a lot back in the day and I will say he would give the shirt off his back for anyone in need and I remember when everyone used to go mudding and a mutual friend was always trying to get me muddy but never happened for him lol but Buster just threw me in the mud anyway and I had a bright white shirt on and needless to say I never was able to get it white again it stayed brown lol I have so many memories and there's not enough room on here and some I'll just keep in my heart for ever

It sucked that I had to miss this due to serious car problems (ball joints) and more issues but my heart is with everyone and I prayed so hard Love ya BZ rest easy no more suffering buddy
