ME

“ I met Caleb back in 2018 when I had started working for kofile. He always made all of us laugh with his free styles and jokes. There was never a dull moment in our QA pit area thanks to his cheerful spirit and genuine soul. I know he is in heaven making the good Lord laugh now. He will always be remembered.

“ *Caleb was a talented artist. In 2013 when my daughter graduated from high school I wanted a picture painted of her, so I asked Caleb and he agreed of course! It turned out so beautifully! It will always be one of my treasures. Caleb was a gentle soul who will be forever missed! We are praying for the entire family during this time! We love the Whislors!*

*Caleb Whisler was a wonderful young man he was so amazingly talented on the drums and with his painting, he was one of the most devoted husband and fathers that I have had the pleasure to know, he loved his family so much and my family grieves his loss along with them, but I know that he was a man who loved the Lord and take comfort in knowing that is in His presence*
