Carlton Henry Dorman was born on December 1, 1929, one of nine children born to the late Lloyd Dorman and the late Dorothy Ellen Shockley Dorman. He would attend school and graduate in Delaware before joining the US Air Force. He would spend the next twenty years serving on various bases all across the world.

After his discharge, Carlton would pursue a degree in accounting, graduating from Midwestern University in Wichita Falls. He worked for Atlantic Richfield Co. (ARCO) and Sante Fe Minerals of Dallas in the accounting departments,

before finally permanently retiring in the mid 1990's.

While employed at Atlantic Richfield, he would meet Carolyn Paddack. They would marry on January 6, 1996 in Irving, and were preparing to celebrate twenty-five years together.

When health allowed, he loved a round of golf or bowling. In the early 1980's, he began painting. His home is filled with many of his oil and canvas works. He and Carolyn enjoyed traveling, with memorable vacations to Germany, Puerto Rico and an Alaskan Cruise out of Vancouver, Canada.

Carlton was a member of First United Methodist Church of Plano and Lions Club International. He participated in many conventions, on International, State and District levels. He was a Melvin Jones Fellow and an Ed Flood Fellow.

He also owned acreage, and when needing to relax, would make the hour long trip to East Texas. Just starting the tractor to mow and brush hog was enjoyment and therapy.

“ Carl and I were in the Irving Evening Lions Club from 1983 until he and Carolyn moved from Irving to Richardson in 2007. We were very close because we both were members of Northgate United Methodist Church from 1969 to 2007. But I have known him 51 years. I have never known a finer man! Rest in peace my friend!
