“ Praying for strength for the family.

Remember Me:

To the living, I am gone.

To the sorrowful, I will never return.

To the angry, I was cheated,

But to the happy, I am at peace,

And to the faithful, I have never left.

I cannot be seen, but I can be heard.

So as you stand upon a shore, gazing at a beautiful sea - remember me.

As you look in awe at a mighty forest and its grand majesty - remember me.

As you look upon a flower and admire its simplicity - remember me.

Remember me in your heart, your thoughts, your memories of the times we loved,

the times we cried, the times we fought, the times we laughed.

For if you always think of me, I will never be gone.

“ *Cherri, I will miss you very much until we meet again. You have really made an impact in my life, even more than I realized. You were always very loving and giving. You always did your best to help everyone, from friends to strangers, just like your Mother. Say hello to my sister and your Mother for me. You left us too soon, the last 30 years went by too fast. I will miss your phone calls. My mornings are seemingly endless without your morning calls. I pray for comfort for your family. You will be dearly missed and I will always love you. I will never forget you.*

Love, Sharon.

“ *Ron... Judy just called me and told and I was so sorry to hear this news... We have not talked in a long time, since I moved to Nashville, but when I lived down the street from yall I used to stop by in the mornings and have coffee with her from time to time and we would discuss our kids and life... Cherri had a beautiful heart and was so giving of herself... She always remained positive about everything and was so strong and kind. Im sorry I missed seeing her for so many years and I know she will be missed by so many people... I know she must have made an impression on everyone she met because I remember from the first time I ever met her through Judy what a sweet person she was and then we became friends... Her mom was a wonderful sweet lady, too and I can't help but think about those wonderful chocolate pies they created when they had the diner... Cheri dear, may you rest in the eternal peace wrapped in the arms of angels and surrounded by all who you love and have gone before you... Your beautiful heart and loving smile will be missed... ...Love ya sweetie.... Karen Warren*
