“ Clara Dean, most of our time together was via telephone calls. I remember our candid talks, The thing I remember most is that you acknowledged the misdoings of others but you saw the good in them too. You said something that will stay with me always. "Hate the sin, but love the sinner" I keep those words in my head and heart lest I am ever tempted to condemn and shun someone because they don't live by my standards.. Rest in Peace dear Clara Deen. with love, Kathy

“ One of the sweetest ladies I've ever had the pleasure of knowing. I didn't have alot of, ( and certainly not enough of ) time with Clara, but I am blessed and very thankful for what we did share. Of this wonderful soul, I can say this: if you thought heaven couldn't get any better, or more beautiful,....it just did.
