“ WITH MY DEEPEST SYMPATHY to every member of her family:.....May you will find comfort in the knowledge that her memory will live forever in our hearts. Connie was a very special friend since we took ceramic classes together at the Senior Center in Grand Prairie and then at the Cedar Hill Center. I will always remember with gratitude all the patience she had in showing me how to paint the facial expressions, specially the eyes! Then, I enjoyed angels! The last 2 are still on top of my fireplace. Deep inside, I believe that of all my friends she was an angel in my life! Rest in the eternal Peace of Our Lord, dear Connie.

*I keep*

“ *My sweet Aunt Connie. For 70 years now she has been my aunt and I have a lot of good good memories with her. We were very blessed for her to be part of our family and in our life. She might not have been perfect but I know for a fact she always did her best. I'm sure going to miss her. Sending much love and prayers to my cousins for their loss. ❤️*
