made while sailing on Disney Cruise Line. She relished the experience of dining at new restaurants that offered diverse culinary delights, always seeking to share great moments with her family. “ I had the great pleasure of working with Courtney at Metrocare Grand Prairie. We had a running joke about her ever-calm demeanor and how nothing seemed to get under her skin. We often talked as moms and I know how much she loved her children and her husband. Courtney will be greatly missed.

Everyone would be in full panic mode and there was Courtney just sitting there so calm and relaxed 😊

“ My friend and roommate! All the late night talks or weekends roaming Mississippi, Florida, or Louisiana. You will be so missed, you were always ready to cuss someone out to defend your friends or prank call your grandpa about his moped insurance. Thanks for never complaining about my girlie music when you'd rather listen to something much different. RIP Brooks

“ Courtney was an amazing human being. She was humble, meek and kind. She would always stop what she was doing to help you. She never complained and always had a soft smile. If we could get her cracking up at something we made our day. She was a devoted therapist and friend. I only worked with her this past year but I am fortunate and blessed to have known her. May she rest in peace. I hope her loved ones are encompassed by her love and grace during this difficult time.

“ I did not know Courtney very long however we shared a cubical while working in the Tarrant County Jail. We had many conversations about her kids and the trips she has taken and other personal stuff. She drove me a little crazy when she would eat chips because the crunch was loud! Courtney would always bring me something to eat even would I tell her she didn't have to!! She will always have a special place in my heart and I am truly grateful she crossed my path.
