“ I met Cindy when I moved back to Arkansas after several years out of state. We immediately bonded. Cindy was the sweetest, kindest person. We would sit outside in her screened-in porch for hours talking, even if it was 20 degrees outside. She had this little heater to keep us warm. She was the best listener and we became BFFs. When they moved to Idaho, I cried but we stayed in contact over the phone... talking for hours. I am going to miss Cindy, but one day we will be together again! Love you girl!

“ *Oh I*

She was always there for me, she would check on me weekly when I was going through my cancer. We spent hours and hours on the phone. I will miss those talks and LAUGHS and our silly comments. It was like we were kids again when we would see each other. Her smile would light up a room. Oh, I could go on and on about my dear cousin. I will miss her forever but will not forget her!!! Go rest high my dear cuz. I will Love you always.

“ I am so grateful for, getting to spend a few extra days with Cynthia, at Pam’s before we had the Watson reunion in July! I will always remember that special time. Also when she was a baby and at Grandmas how Shirley Iva and myself would lay with her on the bed and gently tickle her little arm to get her to sleep!♥ Rest in peace!
