“ I worked with Daniel for 5 years. He always brought me fresh eggs from his prize chickens. I could always count on him to share a cup of coffee and a story about his grandchildren. My thoughts and prayers are with all of his family in their time of need. May GOD be with you all!

“ Heaven is richer for gaining Bro. Daniel. It is never easy to let a loved one go, but God will see you through the rough times if you will let Him. Never give up your faith and trust God to take you forward through the days ahead.  
Daniel will be missed by all here at church and just think of the reunion he is having with those he worked with here at church who have already found their place by the Lord "What a Day That Will Be" when we all get to see Jesus and our parted loved ones. Bless all the family is my prayer.

“ *Brother Daniel's life revealed his intense love for God. His dedication to service was always visible through countless hours of devoted work.. His love for God's little ones always put him in the center of activities and events that promoted Jesus Christ in the most simple and meaningful ways. He lead in programs that illustrated his idea that these little ones respond to true and transparent love. It has been an honor to serve with my friend and my Brother. There are children and adults that are now walking with Christ because of Brother Daniel.*
