“ *The Shoemake family would like to thank everyone who sent flowers in Danny's memory. They showed us how truly special he was to so many people. Your gracious gift brought color not only to our world in such a difficult time, but blessed the elderly with an abundance of smiles at our local nursing home. Something Danny did with everyone he met.*

*Many of you did not leave return addresses and we just wanted you to know that we really appreciated each gift. They were all so beautiful. Thank you.*

“ Danny was a life long friend. We lived around the corner from each other, played on the same little league baseball team, went to grade school, Jr. high and graduated together. He had such great humor, smiled a lot and make me laugh many times. Such a great guy and will be remembered and missed by the SPG graduating class of 1987. God bless his family and all who knew him!

“ Danny was a great guy, always ready with a laugh, a hug, a joke or a shoulder if that was what you needed. I am glad that I had the pleasure of growing up with him and sad that we didn't see as much of each other as adults. I wish he had more time to spend with those he loved, but knowing him he loved them with ever ounce of his being and never missed the opportunity to tell them so. Rest in peace Danny and may your family and friends find comfort in knowing that you loved well and were well loved.
