“ My sister loved in her own way and not just some but all who came into her life. Her sense of humor was crazy too she didn't laugh out loud often but when she did her face would light up with happiness. I will miss you dearly may you rest in peace. ❤️

“ Daniela may have been a home body much of the time, however she was adventurous to! Once while in Mexico we went on what we thought was a short hike up a hill. It turned out to be an all day excursion up a mountain. We wanted to go and see the Cross, not realizing what an adventure it would turn out to be!
