

Daniel Lee West

May 25, 1951 - February 9, 2013

Daniel Lee West, 61, father, grandfather and brother, passed from this life to life eternal on Saturday, February 9, 2013 following a courageous 5 month battle with pancreatic cancer. Daniel was born on May 25, 1951 into a US Naval family, the son of the late John West and the late Billie Ruth Konkle in Champagne, IL. At the age of 3, the family would move to the Dallas area, where he and his siblings would attend school, graduating from Sunset High School. He would meet Janet Lynn Chestnut, and on May 31, 1969, she would become his wife with whom he would spend the next thirty-three years. Their family would soon grow with addition of 3 children, Shannon, Jennifer and Shaun. He would live in the same home for the rest of his life, often winning yard of the month for landscaping and care. Unfortunately, he would lose it in a fire, only days before his death. Together, he and Janet would form Aztec Interior Designs, an interior decorating company. They would remain faithful partners until her death on August 2, 2003. At that time, Daniel would move into his second career with Agape Social Services, becoming a twenty-four hour caregiver to handicapped children. These children would often have extreme needs and severe disabilities, including confinement to a wheelchairs and autism. Many children were greatly influenced by his genuine compassion, love and caring ways. Daniel was an avid outdoors-man, traveling to the mountains in both winter and summer, always happiest when hunting or fishing. He loved his guns and would be best described as an "avid gun enthusiast". He is survived by his children; Shannon Garcia and her

spouse Tony, Jennifer Juarez, Shaun West; 6 grandchildren; brother, Johnny West; sister, Larcye Wright and her spouse Tim. Graveside services will be conducted at 2 p.m. on Friday, Feb. 15, 2013 at Laurel Land Memorial Park, 6000 S RL Thornton Freeway, Dallas, Texas.
