“ *My condolences to Susan, Chris and the rest of Danny's loving family. I lived next door to Danny and Susan during the 1980's and we had a great time together going to concerts, parties, Chris's baseball games, watching football and listening to music. I lost touch with Danny after I moved away for a job and only recently found him on Facebook and called him up immediately. It was like we hadn't spent a day apart, talking over old times. I had plans to get up to the Dallas area soon to visit, but I didn't make it in time. I will miss him. What a great guy.*
