“ I remember Debbie always being sweet, joyful, kind, loving, there are those you meet in life, where you can tell, there is just something different. Not only Debbie was like this, but also her entire Ramos family. I know her memory on earth will always be treasured, and I know, because of her and Christ' Spirit in her, she has shown love to many that she may not been aware of. Thank You, Debbie, for all the times you shared your smile and your love. God Bless You All. Love, Carolyn, and David Weaver, and family,

“ Dear Josh and kids, Mariah, Joshie, Chris, and Krystal - Please know we are thinking of you at this very sad time. Debbie was such a wonderful woman, she displayed her kindness and hospitality so often to other family members when we decided to visit Texas. The last time we stayed there was during the Family Reunion held there. You opened up your home to us as you always did. I can't forget the times we had meals there and spent good quality family time with you and yours. She was an exceptional hostess and always willing to fix food for all of us. Heaven has gained an angel. May the Lord's comfort and peace be with you all. Your Cousin Ruth Guevara, Alicia Guevara & the grandkids.

“ Those that knew Debbie can attest to this "her genuine smile touched every person it greeted." While in my teenage years I had the privilege of meeting Mrs. Debbie...when I would visit Krystal she always received the youth with such warmth and motherly care. I truly saw how much she loved her children and even us the tag along friends. So many parties and get togethers in her home will be remembered and cherished. To the family and to those who loved her "yes she will be missed...yes it will be a difficult time, but we trust God will be holding you all along the way." Love and pray for God's comfort and peace during this time of loss. Della Cruz Flores

“ *The first time I met Mrs. Debbie was the day my life had changed.. I would always call her Sexy mamma because she always had a new outfit, shoes and jewelry, and she would jusst give me the biggest smile and say," oh Tina your silly"... I will miss her dearly.. When ever there where family get togethers or church functions she was always asking me if I was going to be there because we had a speical bond to where we could talk about anything.. We had conversations that only her and I know about and I will cherish them for the rest of my life.. She inspired me to be a better mom, wife, sister and friend.. Thank you Mrs. Debbie for giving me an opportunity to be apart of your family.. love you to the moon and back?*
