“ I can't even begin to say or describe what a great guy Don was to all of our friends and family. He will be deeply missed. So many great memories of Don - hanging out at Phil's, bonfires, sleeping in his pinto, hanging around the pool at the house, his cooking, his daughter's 16th party and most of all his contagious laugh! He was a great friend to all he met and my heart breaks for his family. Rest in Peace sweetheart - you will never be forgotten.

“ One day, yogi an I were switching for line haul. Yogi's wife worked there at the time, for line haul. There was a guy in charge, I think his name was Paul, not sure. This guy was a prick. So yogi is telling me about this guy an how he treats people, an how he treats his wife. Next thing I know his wife walks out an never returned. Cudo's to her. Took a lot of courage to do that. He was a fighter, his wife was a fighter.

“ 'Yogi' as we called him at work, was kind, considerate and friendly. He was fun to be around and to talk with. We used to joke at work that we knew our co-workers better than our family because we spent so much time together. I am going to miss him. Rest in peace my brother.
