“ Sue was always so much fun at church and Ladies' Retreat-always with a smile on her face and a song in her heart (& on her lips). Even though we had not been able to spend time together lately, I tried to keep up with her through Tanya. I loved her and her kids and so enjoyed all the good times we had at Lakeside Baptist. I can hardly wait to share "the joy of our salvation" when I join her and my parents in heaven as we sing around God's throne. She was a great Mom to her kids and loved her grandkids tremendously. Praying for comfort for her kids and their families. Love you, Elizabeth & family, Tanya & family, John & family. God bless

“ Sue was an amazing woman. My first year after graduation she worked with me as my secretary. Needless to say we had a lot of spare time on our hands. We would sit and talk and laugh for hours. She was full of stories about her family and kids. Loved that beautiful Christian lady! My thoughts are with her loved ones in this time of need.

“ *As I sit here thinking bout my life, you and your kids were always there. I don't remember the first time y'all entered our lives, but loved y'all from the start.*
I remember those years at camp, walking up and down a 1000 times that hill to get to the cabin. Was some great years.
Then, I had the privilege to work with you at Best products. To know I had a Christian friend there I could lean on.
We may have lost contact with each other, but you were always in my heart. Now, your in heaven with my parents.
Love you, Sue

“ *Sue was always a supporter of my ministry. if you looked in the dictionary of a selfless servant of Christ you would see a picture of Sue. You are now in the presence of God and serving Him there. I can only Imagine the things you have already seen and begun to do. My thoughts and prayers are with the kids and may God give them the strength to carry on and live out the teaching of "Momma Sue"*
