“ *Homer was a great man, always caring and kind, a wonderful "Grandpa" to Charlie & Nicole. He was so patient and loving with my mom as her illness progressed. Then as he became ill, it was my turn to take care of him in return. We had so many great talks as we went to radiation every day for 35 days. I will always have the sweet memory of him wiggling his fingers goodbye to me on what I know now as his last day. I will truly miss him and his sweet smile will live with me forever.
