“ My beautiful sister...I will miss hearing your voice when you call me at 2 in the morning and ask if I'm sleeping. Your laugh when we talk about the good times, your smile when we talk about our kids. But most of all I will miss being able to hug you or feel you hug me. You were my rock, my partner in crime, my best friend. Now you are the Angel sitting on my shoulder reminding me I'm never alone even though you're not here with me. I love you now, always and forever and will see you again as God has promised all those who believe in Him a place at His table. I believe and I know it is His plan that we will see each other in Heaven one day.
