“ I AM REALLY GOING TO MISS HIM!! Enrique was the father figure for all of us single family women. Enrique was a joy to work with. If he didn't show up for work we all would call at various times checking to make sure he was ok. We lived to his stories about the family, we felt as if we were apart of them. He is definitely loved, appreciated, and valued by his work family. My EnRicky the name we gave him as a loving gesture.
