“ Ms. Es, I am still in disbelief that you are no longer with us. Today, we will honor and celebrate your life. Started off as a co-worker, became life long friend, and turned into a Life Coach during my early mother hood- wife years. Words will never describe the imprint you left in my Mothers, Josie’s, and my heart! We will greatly miss the hours long catch up calls in which we laughed and cried all at once. Thank you for always being supportive of us and making us laugh with your jokes and responses.

Love you forever! — with María Ester Vargas Vargas and Josie Sanchez, Erica Campos.
