“ *I enjoyed going with Felix and Bertha to many LULAC state conventions and strategizing for chapter 272. Going with Bertha to watch Felix play softball at White Rock brings back many wonderful memories. And of course, serving fajita plates after Pan American Golf Tournaments. Both of us grew up with little and always tried to "out poor" each other with childhood stories. You were a great, dedicated, and funny man, Felix. Que Diosito te guarde en su Gloria.*
