“ *Chuck and I are forever grateful for the Ft Worth Stock Show where we all meet and became friends. That you for the time you spent out on the hill helping us with projects and sitting around the dining table working out all the worldly problems. You were a true blessing to Chuck and he loved you like a brother. Our hearts are broken but we shall meet again one day. You left us way to soon but God had his plan for you. Farewell old buddy until we meet again...*
