*I knew Gary from Cathedral Gardens. I went to see him one time at his new home in the rehab where he moved. He loved my little dog and she always stopped at his apartment wanting to see him. She would run and jump in his lap and give him a ton of kisses. Very sorry to hear about his passing.*

“ I knew Gary from Munger Place United Methodist Church in Dallas. He was a wonderful man with a servant's heart, a giving spirit. We volunteered together at the Wilkinson Center. We were in the church choir and bell choir. We attended the same Sunday School class and served together on various church committees. He willingly gave of himself wherever needed. I will miss this good man, a faithful friend, and one of God's children.

*May God comfort and give you peace~~*

*With sadness in my heart,*
