“ Our hearts are with Debby and Sam. Gary was such a great man to all of us. He was strong, yet gentle, patient, caring, loving and had an incredible dry sense of humor.

We're so sorry that we were unable to be there with you during your time of need and also sad that we couldn't say goodbye to him. We're grateful, as his siblings, that we are together in Minneapolis to help each other morn our dear brother's death. Losing him has left a huge void that will never be filled.

Much love and support for you and Sam - now and always,

Patti and Suzanne

“ Gary was a co-worker of mine whom was one of the most enjoyable people to work with in a professional setting. My prayers and sincere sympathy to the Stick family. He will be missed, personally, as a close friend to me here at DART.

“ *So sorry I couldn't make it to the visitation to pay my respects. I did swing by your house, Debby, to drop off a plant and card; I left them by the front door. All of my thoughts and love are with you and Samantha.*
