

George "Coach Sandy" Williams

January 4, 1933 - February 11, 2019

George Raymond Williams, 86, lovingly referred to as "Coach Sandy" by many, passed away peacefully on February 11, 2019 at a Dallas hospital.

Visitation: 6 to 8 p.m. Friday at Guerrero-Dean Funeral Home, 500 E Main Street, Grand Prairie, TX, 75050 where funeral services will be conducted at 12 Noon, Saturday. Burial: New Antioch Cemetery in Grand Prairie.

Coach Sandy was born on January 4, 1933 in Dallas, Texas, the son of the late George Henry Williams and the late Nobie O'Neal Williams. He worked many years as a craftsman carpenter until a hip injury forced him into early retirement.

George had several special passions in his life. First, was his family. Second was children. Not only his children, but children from the neighborhood and city. He coached football in the Grand Prairie Youth Football Association for more than twenty years, devoting much of his personal time and money. He was always kind and sweet, making friends wherever he would go.

He loved all sports. He played fast pitch softball for many years, capable of pitching ninety-eight miles per hour. When he wasn't playing sports, he was watching, either in person or on television. He always had bubblegum lodged in his mouth. Not just one piece, but many pieces. His family jokes that

"Hubba Bubba" bubblegum was a staple of his diet.

He is survived by children, Curtiss Williams and his spouse Tracy, Sandra Williams Jenkins, Lena Williams, Robert Williams, 5 grandchildren, Billy Jenkins, Trevor Williams, Trenton Williams, Randy Williams, Brandon Turner and 1 great-grandson, George Turner..

In addition to his parents, he was preceded in death by his beautiful, loving wife, Ollie; siblings, Verlie Williams, Katheryne Taylor, Perchie Whitus, Imogene Pope and great-granddaughter, Emma Jenkins.

“ Papa Sandy played an integral role in shaping all of us into who we are today. Every experience with him, negative or positive, altered the future of the Williams family because of our response to the situation given to us by him. The trajectory of my family is a positive one secondary to the life the Papa Sandy had lived and its projection onto us. I am very grateful for that.

“ Well I've known couch Sandy since I was 4 and moved next door to his mother on n.e. 33rdst.His sister Perchie lived right down the street.I know he loved his family very much.I had the privilege of growing up with his kid's because he would drop them off and they would play all day with us.I was very sad the day Mrs Williams died his mom and equally surprised when his wife passed.But he just put his all into his children and didn't miss a beat.He was a beautiful human being and he will be missed by all.God bless you sir RIP.
