“ Having you and Glen in our square was always a treat, and we had fun at our after parties--especially at Bobby V's where Glen would enjoy his Mango Margarita. Glen was a kind man, and I will miss dancing with him as well as his humor and reserved manner.

“ Debbie, I am full of sorrow over Glen's passing. We were glad we were able to dance with you when we were in Texas in May. I have known Glen for over 40 years. He and I used to bring our babies to dances and share a playpen. Glen was a fine man, always kind, honest, caring, trustworthy, hard working, and a Christian. Our prayers are with you. May your memories carry you through these difficult times ahead. Patsy and Bob Heath

I haven't known Glen very long. Just dancing with him and Debbie. I felt like we were long time friends. Glen had a way of doing that. You will be missed my friend.

“ We met Glen and Debbie just a few years back as square dancers. They are both very good dancers and were patient with our developing skills. Glen was particularly humble and seemed to have a twinkle in his eye about our missteps- a “no problem, I got you on this”. A quiet man, we got to know him a bit more as the gentleman and selfless person he was. We’ll miss you Glen! Our thoughts and prayers go to Debbie and the family.

“ Glen was the kindest, sweetest, most humble man I've ever known. I have known him since 2004 when I joined the Metro Rotary Club. He was a mentor and the best example of Service Above Self. I will miss him terribly. May God wrap his arms around Debbie and the rest of the family during this time.

“ I met Glen and Debbie in the fall of 2001 when I signed up for clogging lessons and becoming a member of Dixie Grand. Glen was a great teacher and wonderful person. I will miss him so much. We had such a good visit in May when he helped set up all the equipment for the clogging workshop. He will be greatly missed in the clogging and square dance world. Debbie, wishing you peace and comfort during this time.

“ I remember Tanya and I taking clogging lessons from Glen and Debbie back in 2004. We really enjoyed it until we had to stand on one foot for more than one second. That was not our forte! We have enjoyed knowing and being friend with both Debbie and Glen and square dancing with them through the years. We are really going to miss Glen, he was such a nice guy - quiet, but nice. I appreciate all the help he provided on Swingtime's roof over the years. He was quite an asset to square dancing!! Miss you already Glen.
