

## Grace Monahan

September 16, 1942 - April 26, 2021

Grace Monahan, 78, passed away peacefully on Monday, April 26, 2021, surrounded by love.

Grace was born in Chicago but moved to Grand Prairie, Texas, in 1976 with her high school sweetheart, Jim, and their four surviving children (their firstborn, Michelle, died as an infant). In Grand Prairie, she had a wide circle of friends, who knew her to be spunky, bold, and always fun. She worked numerous positions at Martin Brower, Target, and Texas Trust Credit Union, and her hobbies included square dancing, gardening, sewing, crafting, reading, and performing as Mrs. Claus during the holidays. She also loved finding a good bargain and watching animal shows especially Dr Pol. Her favorite thing to do was to spend time with her family and friends. Grace could carry on a conversation with anyone; the people she met in life were always attracted to her warmth and friendliness.

She was preceded in death by her husband of 52 years, Jim Monahan, daughter Michelle, and brother Bob. Survivors include her 4 children: Jeanette, Renae, Kathleen, and Sean; 9 grandchildren: Alex, Ian, Elliott, Kellie, Sean, Brandon, Andrew, Rebecca, and Haley; brother Bruce Beck and sister Janet Jakupcak.

Due to Covid, a small family memorial will be held. In Lieu of flowers or gifts

please make a donation to the American Heart Association or your favorite charity.
