“ I’m sorry I am just now finding out abt Hannah’s passing so late. I was cleaning out an old AOL account and in the spam folder there was a message from Hannah making contact through Classmates.com. While we were not classmates, we were coworkers at a company in N. Dallas. She was always so cheery and bright. Definitely a sweetie pie. Rest in peace my sweet friend..... Ivy 11/2024

“ My name is Christy Little, I knew Hannah back in elementary school. She was a great friend back then. I was not very liked in school. matter of fact I got picked on by all of the other kids.. So needless to say I did not have many friends, so when Hannah came up to me and introduced her self to me and asked me if we could be friends, I was surprised cause I thought that no body would ever want to be friends with me.. Anyways, Hannah will always be my friend. She will also be missed by myself &many others that knew her...
My thoughts & prayers go out to her family.
Rest In Peace My Friend!!
