“ So sorry to hear about Uncle Mack! My thoughts and prayers go out to the family! The things I remember about Uncle Mack is that he was very quiet. He was always taking pictures at family gatherings. He always walked with a limp. He was always the driver of the family way back in the day! In the later years, he always had a dog in his lap and heating pad on his shoulder! He always took his family to church. He would always take the phone from Aunt Virginia cause she could not hear over the phone! He always enjoyed his wife’s cooking! Good to know I will see him again in Heaven, with no more limping and in perfect health!
