“ *So many wonderful things I could say about this woman of God. One thing that stands out is that you never heard her gossip or say anything bad about someone. Now it may have been different with family but I personally never did. Her and her husband were a big part of why we decided on the grand prairie church. Also she made a set of raggedy Ann and Andy dolls for me to give to my wife for an anniversary gift. Still have those today. So sorry for your loss.*
