“ Jackie was a very nice person. She was fun and always the life of the party. I will miss her so much and as well as all her family and friends. Jackie can now rest in piece and have no more pain nor has to be suffering with the cancer that took her away from all of us. Jackie is in a better place now and she will always be missed and remembered. Let's all stay strong for Jackie even tho it hurts. All that's left is the memories and to know that we all met such a wonderful person. I love you Jackie.
