“ I cannot believe I got both days messed up with visitation and service. I was a day off thinking the visitation was Tuesday and service was Wednesday. I missed them both. I am so sorry. I always thought so much of James. Have known the family since I was about 4 or 5 years old. I really enjoyed seeing all the pictures. It brought up alot of memories. Continued prayers for you all.

“ *James was very special to me and my family. He loved his family and friends so much. After my Dad passed away James would call and just check in with me once a month to say he loved us. I'm going to miss him and his calls. My thoughts and prayers to all who loved James. ❤️*
