

James John Phillip

July 23, 1985 - May 2, 2026

James John Phillip, 40 years young, passed away at home on May 2, leaving behind a family who loved him deeply and a life filled with passion, adventure, and devotion. Born in Houston, Texas, James lived life with intensity, creativity, and heart.

James was a talented fabricator who took great pride in working with his hands and building incredible metal creations. He was always challenging himself to learn more, improve his craft, and take on new projects. He had a deep appreciation for the technical side of motorcycles and loved understanding how things worked.

Outside of work, James lived for adventure. He loved racing BMX bikes, riding whenever he could, listening to music, and dancing. Some of his happiest moments were spent on date nights with his wife, dancing together and creating memories filled with laughter and love. He had a way of making his wife feel deeply special and cherished.

Above all, James loved his family. He was a devoted father to his two beautiful boys, Liam Phillip and Cory Cameron, who saw him as their hero. He treasured family time, loved spending time with his boys, and worked hard to provide for and care for the people he loved most. He also adored the family's golden retriever puppy, who brought him joy.

James embraced life fully. He was adventurous, hardworking, loving, and always ready for the next challenge. He leaves behind countless memories of love, laughter, music, and unforgettable moments.

He will be deeply missed by his wife, children, family, and all who had the privilege of knowing and loving him.

Though his time here was far too short, the love he gave and the memories he created will live on forever.
