“ *I never knew this would be the only picture I'd have with you. I'll miss our lunches and drives to get whatever snack we felt like that day. I'll miss the random talks and the laughs. But what little time to be had will always be treasured. Until we meet again.*

*To the family, I am sorry that I cannot attend, but please accept my deepest condolences. Jannet was a good friend to me and I can only hope to be as bright of a light on others as she was to us.*

*I still can't accept that you're gone. I know you're watching over everyone and will be our guardian angel. You were the sweetest souls I've ever met, and it was a privilege to have worked with you in the short amount of time we had. Until we meet again <3 Danielle*
