MI

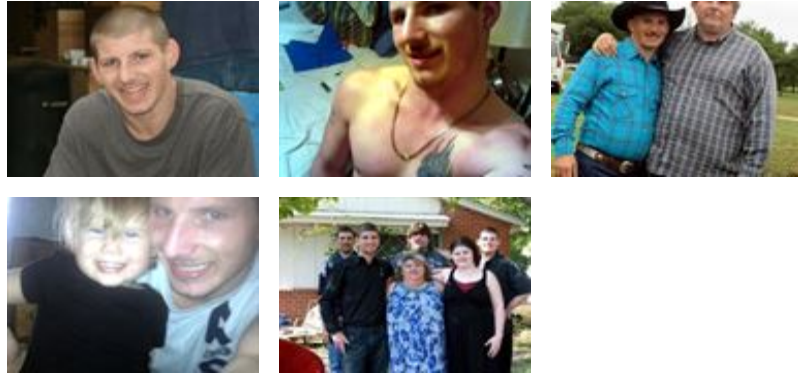

“ I remember seeing him at my Aunt Toni's
house. He was friends with Kristina from High
School. I told him I was his cousin on his
Momma's side. He said "what and was so
confused" I explained it and he thought it was
funny how we ran into each there. And how Little Rhonda and Toni
were best friends growing up and he knew Kristina then and we
were cousins. He got on his cell phone and called Little Rhonda and
said someone wants to talk to you. She had to guess who I was. Of
course I had to tell her. He was a handsome young man and is
going to be missed. Especially by his girls and parents. Keeping you
all in my prayers. Love Misty and family
