“ There is a huge hole in my heart and my life. Jeannie has always been my rock and the glue that held me together in good times and bad. She was there for me so many times when nobody else was. Jeannie was there when my parents and brother died, when I got married and when my baby girl was born. She was my partner in crime and good deeds. I will miss so much Jeannie's EEEEEEEEEEEEEEEEEEE when the Cowboys are about to make a touch down. I still do that when I watch football but now when I do that I'll have to do it two times. Jeannie, I love you like a sister and will always miss you terribly. Rest in peace and no more pain. You'll learn how to use those Angel wings and stop flying in circles. Love,
Cuz (Donna)

“ Jeannie, you will be missed more than any words can ever express. Your sense of humor, hearty laugh and endless story telling will be sorely missed. You touched so many lives and created memories for all of us to cherish. You will never be forgotten and will always live on in our hearts. We love you and miss you already!

“ So many memories, it's hard to believe you are gone. One time we were always running together where did that time go. Rest friend no more pain, no more worries. You will always be missed. It's almost been 22 years since you and Richard stood up for us at our wedding.
