“ *It's hard to believe my wife, the mother of our 3 children and stepson Mica, who she looked at as her own child, has been gone since November 1st 2016. You will always be forever in my heart. You would be proud of our kids. I miss you everyday no one understands. Until we meet again in Heaven, I can't wait to see you again. I'll see you at the Gates baby. I love you Jimmy.*

“ *I just actually found out. My heart hurts and I'm at a loss for words. Our relationship was awkward but I am so grateful that in the end we were friends. You are such a beautiful person inside and out. You leave behind 4 amazing kids and my heart hurts for them. You raised them good and I'm so glad they had you as a mom. I will miss our short little talks and that beautiful smile. You'll always have a special place in my heart. RIH Jessica*

“ As I shared at the service the memory of Jessica counting cow patties versus "sh\_\_\_" when she saw a fresh pile of manure is just one of the memories I have of her. There was a time when she and Marcie were staying with me and found my make-up. They had applied it so generously they left evidence of it in the corners I put them in for time out. Jessica's love of make-up had an early start. Jessica's smile was so beautiful it could light up a room. The angels in Heaven will have a hard time matching it. Until we see her again we still have the memory of her sweet smile. Love you- Aunt Jackie

“ *I have worked with Jessica's Mom, TJ, for 10+ years and Jessica actually worked at our company many years ago. She was such a bright and beautiful girl. Many years have gone by and she had a beautiful family but I still see her exactly as she was then. Just sweet, bright and beautiful. She will forever be frozen in time in my mind. I am so sorry for the loss and know Jessica is at peace and in a beautiful place now. Praying for the entire family.*
