“ *This man is by far the greatest man I have ever known. He loved life and family more than anything else. As long as he had his family he was happy and content. He never asked for anything extra and he never expected anything from anyone. He was a very hard working man who did whatever he had to to be able to provide for us. He will forever be missed and never forgotten. I love you Jimmy Wayne always and forever* ❤️❤️❤️

“ *Dad,
You were always and always will be my hero and as you would say my "knight in shining armour". I've always been and always will be a daddy's girl and I could never love another man as much as I love you. I lost a big part of me yesterday when you left, but I know you will be with me and Mila every step of the way. You will be forever loved and never forgotten and I know Mila will forever cherish her memories with you just like i will. You are a one of a kind, beautiful soul and you deserve to be at peace. Thank you for being such a loving and amazing dad and papa and for teaching me everything I need to know about life. We miss you and love you to the moon and back and so much more. So rest in peace and watch over us.* 💜
