“ Joe was a long time friend. I met joe when he came in to my place of business one day. Joe would come to visit but not to talk about business but to talk about fishing. When he saw the map of lake fork that I had hanging on the wall he said I will be back to look at your map later. He would come by to visit often and mark down all the fishing spots that I had marked on the map. Joe will be missed. God was a fisherman and I think that God has got a keeper. Our prayer are with Joe's family God Bless. Eddie Sanchez estanislaosanchez52@yahoo.com

“ We spent a lot of time on Joe's back porch, prepping for Avion Board Meetings, and just talking about stuff that might be going on. I learned a lot from Joe, and we had a lot of laughs. He was a great backyard neighbor and friend. He's going to be missed. We are praying for all the Cornforth family.....especially his dear wife and children.

“ I knew Joe from mtgs and functions at Avion Village. I enjoyed his sense of humor and the encouragement he gave to Eric our son. A funny memory I have is I pulled up beside Joe and Rick Walton on their motorcycles at a red light, rolled down my window and ask if they wanted to race lol. Those two just looked like they were having the best time just cruising around on those bikes.  
Rest in peace brother Joe Cornforth.  
Our deepest condolences to Cornforth Family.  
Avion will miss you and we will miss you.
