“ I miss my Dad very much. I think about him alot. My love for music came from listening to his Motown and Blues records. I remember when I was seven or eight I would sit with him in our living room playing music on our console record player. Now, when I listen to Jr. Walker and the Allstars or John Lee Hooker I picture my Dad smiling at me.

Johnny, I'm sorry for the loss of your Dad and Mom. I grew up with you and Nancy and Sara. My name is Barbara. I always loved your parents,they went out of their way to make me feel like part of the family. I lived in the corner house on Pine St. My grandparents raised me. I hope this finds you and your family well. Again,I loved your parents and I am so sorry for your loss!
